Welcome to Online and Continuing Education

The Division of Online and Continuing Education at Weber State University is here to serve you! Our mission is to extend lifelong learning opportunities beyond the traditional campus.

Whether your educational goal is to take a writing class, start a small business or finish your degree, we provide the classes you need close to where you live and work at times that fit your busy life.

With campuses in Ogden and Layton, centers in Roy, Kaysville, Farmington, Clearfield and Morgan, and our Community Education Center in central Ogden, we are always just around the corner. You don’t even have to leave home to take classes through WSU Online, with courses and full degrees offered anywhere, day or night.

So never stop learning — we’ve got something for everyone in our new summer 2018 class schedule.

Sincerely,

Bruce Davis, Ph.D.
Dean of Online and Continuing Education

FINISH YOUR DEGREE AT WEBER
Flexible Learning OPTIONS

EVENING Work during the day or too busy caring for your family? Weber State offers evening classes at multiple campus locations.

ONLINE From the comfort of your own home or your favorite coffee shop, you can earn your degree online. We have several fully online programs and hundreds of individual online classes to choose from.

INDEPENDENT STUDY These online classes can be started anytime – there’s no waiting for the next semester to start. You can breeze through classes in just a few weeks or take up to six months to finish.

ACCELERATED HYBRID Classes are completed in just seven weeks. With one night on campus per week, per class, you do the rest of the work online. It’s a great way to cruise through your general education requirements.

OFF CAMPUS Complete your general education requirements close to where you live and work. Weber has three locations that provide the classes you need: West Center (Roy), Weber State Farmington Station and Morgan Center. Enjoy free parking, convenient locations, morning and evening classes and even student services such as testing. Check out the location nearest you to see what it has to offer.
