# Embracing Change *Together*

Summer is drawing near, giving us an opportunity to be joyful again. We're bringing you happiness by bringing you your favorite community education courses and some new ones, all delivered online to keep you safe.

Don't worry, while this new way of learning is yet another change, we'll be with you every step of the way.

For now, make sure you have an active email and phone number when you register for your courses, and be sure

to bookmark the community education website, [weber.edu/communityeducation](http://weber.edu/communityeducation). That way, we can ensure you have everything you need to know about your classes, from computer requirements to supply lists.

Join us, and make the most out of your summer!

— The WSU Community Education Team

### Clery Annual Security Report

<https://weber.edu/police>

WSU does not discriminate on the basis of race, color, national origin, pregnancy, genetics, age (over 40), disability, religion, sex, sexual orientation, gender identity/expression, veteran, active military status and other classifications protected by law in its programs and activities. Information is available from, and discrimination and harassment complaints may be filed with, the Executive Director of AA/EO, AA-EO@weber.edu, MA 102 or 801-626-6239.

Weber State University - (USPS PE16-576)(Volume 5, May 20, 2020) is published a total of four times per year during the months of January, April, August and November by the staff of Weber State University, 3848 Harrison Blvd., Ogden, Utah 84408. Application to mail at periodical postage rates is approved at Ogden, Utah, and additional mailing offices. POSTMASTER: Send address changes to Weber State.

In compliance with the Americans with Disabilities Act, individuals needing special accommodations (including auxiliary communicative aids and services) for a course should contact Disability Services at 801-626-6413 or email [dsc@weber.edu](mailto:dsc@weber.edu). Due to the nature of these courses, please provide at least one to two weeks' notice whenever possible.

## ARTS & HOBBIES

### CALLIGRAPHY

JENICE JONES

Discover the art of hand lettering, including two popular forms: Roman caps and uncial script. Learn letter anatomy,

layout basics, spacing, pen angles and more. Practice with markers, graphite pencils and broad-edge dip pens. Visit [weber.edu/communityed](http://weber.edu/communityed) for a supply list.

T | June 16–July 21 | 6–8 p.m. | \$89 | Online

### DRAWING BASICS

CHRIS BODILY

Explore the fundamentals of

drawing, including shape, line, value, composition and construction. This class is perfect for beginners ... no experience necessary. Choose a day or evening class. Visit [weber.edu/communityed](http://weber.edu/communityed) for a supply list.

M | June 15–July 20 | 10 a.m.–noon | \$69 | Online

M | June 15–July 20 | 6–8 p.m. | \$69 | Online

### BEGINNER HUMAN & ANIMAL FIGURE DRAWING

CHRIS BODILY

Learn how to sketch human and animal

figures, including action sequences, and discover your hidden talents. No previous art experience is required. Make sure you have your sketch pad and pencil.

T | July 14–Aug. 4 | 6–8 p.m. | \$69 | Online

### INTRO TO WATERCOLOR

HANNAH HOFFMAN

Create your first watercolor masterpiece

after learning how to gauge the proper water-to-paint ratio, how to mix colors and how to use supplies correctly. Choose a day or evening class. Visit [weber.edu/communityed](http://weber.edu/communityed) for a supply list.

W | June 17–July 22 | 10 a.m.–noon | \$79 | Online

W | June 17–July 22 | 6–8 p.m. | \$79 | Online

### DIGITAL PHOTOGRAPHY BASICS

SARA LLEVERINO

Build a solid foundation in digital photography and begin capturing quality images. Explore camera handling, settings, photo composition, effective use of light and file management. *Have your digital camera handy to explore its features.*

T, Th | June 16–July 9 | 10–11 a.m. | \$69 | Online

### PHOTOSHOP BASICS

SARA LLEVERINO

Start from the beginning by learning how to open Photoshop, then explore

the software's tools. Finally, make your images really stand out with more advanced techniques such as layers, masks, blending modes, selections, creative effects, overlays, compositing and more. *For this class, you will need a computer (with a monitor) that is able to support Adobe Photoshop.*

M | July 27–Aug. 17 | 6–8 p.m. | \$69 | Online

### UKRAINIAN EGG DECORATING

ANNELI BYRD

Learn to make beautifully decorated eggs, which, in Ukraine, are often given

as gifts for many occasions, not just Easter. Ukrainian egg decorating is easy to learn and produces lovely results. *All skill levels are welcome; just come with a willingness to learn. Visit [weber.edu/communityed](http://weber.edu/communityed) for a supply list. This course features pre-recorded videos and instructor-led Zoom sessions. Dates and times vary. Please see [weber.edu/communityed](http://weber.edu/communityed) for details.*

Days Vary | June 15–30 | Times Vary | \$55 | Online

### SUMMER BEEKEEPING

RICHARD HOMER

Strengthen your hives and queen bees

by learning more about summer beekeeping concerns like pests and diseases. Prepare for your late-summer honey harvest by studying up on equipment, processes and techniques for marketing your honey.

S | June 13 & 20 | 9–11 a.m. | \$49 | Online

### MAKING & UPLOADING YOUTUBE VIDEOS

JAMES MCALLISTER

Learn the basics of making YouTube videos,

including how to produce/edit video content, audio, stills and thumbnails, and how to upload and analyze your videos.

M | June 15–July 13 | 7–9 p.m. | \$79 | Online

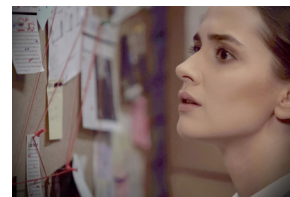

### EBAY FOR PROFIT & FUN

SCOTT SHAW

Get tips for running a successful online business, including how

and where to find merchandise to sell, and how to create quality listings. *Try to have your PayPal and eBay account already set up, if possible.*

T | July 28–Aug. 11 | 6–8 p.m. | \$69 | Online

### CRIMINAL PROFILING

JOHN SOUTH

Discover what criminal profiling involves, including crime scene

analysis, investigative psychology and behavioral science. Study why the best predictor of future behavior is past behavior, and look at in-depth profiles of serial killers. *This class is recommended for individuals age 18 and up.*

W | June 17–July 15 | 6–8 p.m. | \$59 | Online

Looking for  
illustration courses?  
See Page 6

## REAL CSI

JOHN SOUTH

Get a real-life glimpse into crime scene investigation and see how it compares to the Hollywood version.

Learn how real investigators secure a crime scene, process clues, sketch and photograph crime scenes, and utilize fingerprinting in solving a crime. Delve into the laws of evidence, and test your skills at a mock crime scene. *This class is recommended for individuals age 16 and up.*

T | June 16–July 7 | 6–8 p.m. | \$59 | Online

## REAL CSI: NEXT STEPS

JOHN SOUTH

Dig deeper into the fascinating world of crime scene

investigation. Explore some of the newest techniques being used, and learn about recent cases in which crime scene investigators have helped bring criminals to justice. *This class is recommended for individuals age 16 and up.*

T | July 28–Aug. 18 | 6–8 p.m. | \$59 | Online

## GUITAR BASICS

BRIAN NIELSEN

Learn basic chords, note reading and music fundamentals, which

will help you build a solid foundation as you begin playing the guitar. Please purchase the book *The Christopher Parkening Guitar Method, Volume 1*, the version that includes a CD recording or a key to access online recordings.

T | June 23–July 21 | 6–8 p.m. | \$99 | Online

## CULTURE

## ISLAMIC CIVILIZATION

DR. ABDUL NASSER KAADAN

Hear WSU visiting international professor of history Dr. Abdul

Nasser Kaadan discuss the evolution of the Islamic civilization, from the Golden Age until its fall. Born and raised in Aleppo, Syria, Kaadan will help you gain a better understanding of Islamic history, culture and contributions in the areas of science, technology and medicine.

W | July 8–29 | 6–7:30 p.m. | \$49 | Online

## INTRO TO BUDDHIST PHILOSOPHY

MIKE MONSON

Gain an enhanced understanding of the fundamental principles

of Buddhism through Buddhist teachings, readings and practices.

Th | June 18–Aug. 20 | 6:30–8 p.m. | \$79 | Online

## HEALTHY LIVING

## EXPERT GARDENER CERTIFICATE (SERIES OF 4)

MINDY MORTENSEN

Learn from a professional botanist, and become an expert gardener. This four-class series includes **Growing, Using & Preserving Fresh Herbs, Fall Gardening: Prep & Preservation, Design Your Own Backyard Paradise, and Organic Gardening & Permaculture**. *Complete at least three classes to earn your Expert Gardener certificate. Register for each session individually, or take all four classes at the reduced price of \$199.*

T | June 16–Aug. 25 | 6:30–8:30 p.m. | \$199 | Online

## GROWING, USING & PRESERVING FRESH HERBS

MINDY MORTENSEN

Class one

Learn to select, grow, preserve and use fresh herbs that grow well right here in Utah, and enjoy their aroma, beauty, taste and nutrients.

T | June 16–23 | 6:30–8:30 p.m. | \$59 | Online

## FALL GARDENING: PREP & PRESERVATION

MINDY MORTENSEN

Class two

Create a beautiful and productive fall garden by learning what to plant, when to plant, how to improve your soil, how to conserve water naturally and how to fight insect damage.

T | June 30–July 14 | 6:30–8:30 p.m. | \$75 | Online

## DESIGN YOUR OWN BACKYARD PARADISE

MINDY MORTENSEN

Class three

Turn your backyard into a beautiful paradise. Show pictures of your existing landscape, and get ideas for how to update your landscape plan. Learn about basic design, drawing to scale, landscape software options and plant types.

T | July 21–Aug. 4 | 6:30–8:30 p.m. | \$75 | Online

## ORGANIC GARDENING & PERMACULTURE

MINDY MORTENSEN

Class four

Learn how to start an organic garden in your own backyard, and begin growing your own greens. Explore the basics, such as how to compost, prepare the soil and choose the right plants.

T | Aug. 11–25 | 6:30–8:30 p.m. | \$59 | Online

## HOW TO KEEP MY FAMILY HEALTHY

MADAHI MEJIA

Learn how important your annual physical exams are in helping

prevent chronic illnesses like diabetes and obesity, and work on developing healthy habits. Discover how to interpret basic lab tests, explore what your rights are as a patient, and learn more about vaccines.

W | July 15–Aug. 5 | 6:30–8 p.m. | \$29 | Online

## CÓMO MANTENER SALUDABLE A MI FAMILIA

MADAHI MEJIA

Conozca la importancia de sus exámenes físicos

anuales para prevenir enfermedades crónicas como la diabetes y la obesidad, y trabaje desarrollando hábitos saludables. Aprenda cómo interpretar las pruebas básicas de laboratorio, explore cuáles son sus derechos como paciente y obtenga más información sobre las vacunas.

Mierc. | Agosto 12–Septiembre 2 | 6:30–8 p.m. | \$29 | Online

## JOB & LIFE SKILLS

### INTRO TO QUICKBOOKS (DESKTOP)

JAUNETT PORTER

Take charge of your home or small-business finances by getting firsthand experience with the QuickBooks Desktop accounting software. Find out how to create company, customer and vendor files; manage payments and invoices; and generate reports, all while learning basic accounting terms and principles. *Please note: You will need your own QuickBooks software for this class. A free, 30-day trial version is available through QuickBooks. See further instructions at [weber.edu/communityed](http://weber.edu/communityed).*

M | June 15–July 6 | 6–8 p.m. | \$89 | Online

### RESOLVING CONFLICT IN FOUR EASY STEPS

JOY RICH

Develop your conflict resolution skills with the four-step CALM Dialogue. Participate in scenarios used to address challenging issues, such as race, religion, gender and violence. Also learn strategies to listen effectively; gain perception; separate the individual from the issue; increase self-awareness, regulation and determination; focus on breathing; and develop win/win outcomes.

M | July 20 | 6–8 p.m. | \$29 | Online

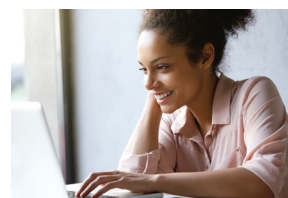

### GRANT WRITING

JAMES TAYLOR

Learn how to write grants step by step, and secure important funding for your organization.

Th | June 25 | 2–4 p.m. | \$75 | Online

## TECHNOLOGY

### INTRO TO COMPUTERS

AARON NYBO

Learn to power on, reboot, and add hardware and software to your computer. Explore the fundamentals of Wi-Fi and Ethernet as you create an online calendar, email and cloud storage. Become familiar with online and desktop software.

W | Aug. 5–19 | 10–11:30 a.m. | \$49 | Online

### PREPARING FOR THE DRONE PILOT TEST

DOUG MANIFOLD

Take the FAA's Part 107 Remote Pilot Test, which allows students to fly drones for commercial purposes. Gain confidence as you soar through this course. Focus on the FAA rules that regulate U.S. airspace and drones within that airspace. Instruction will occur primarily online, with one class period dedicated to flying.

W | June 17–Aug. 19 | 7–8 p.m. | \$79 | Online

# Calling All Educators!

*Balance your teacher education and professional development requirements with your busy life.*

WSU has partnered with Virtual Education Software, inc. (VESi) to offer online courses for teachers. Take VESi courses and receive WSU credit.

#### Topics include:

- Classroom Management
- Early Childhood
- Harassment, Bullying and Cyber-Intimidation in Schools
- Reading & Writing in Content Areas
- Working with High Achievers
- Diversity
- Effects of Stress, Trauma and Violence on Student Learning
- And More

*Summer registration is open through June 30, 2020.*

*You must have a bachelor's degree to register for courses through VESi.*

WEBER STATE UNIVERSITY  
Division of Online & Continuing Education

*Learn more at: [continue.weber.edu/vesi](http://continue.weber.edu/vesi)*

## WRITING & ILLUSTRATING

### INTRO TO WRITING CHILDREN'S BOOKS

CHRISTY MONSON

Start your writing journey with an overview

of the children's literature genre, then begin to develop your creativity and writing skills. Craft a manuscript under the guidance of the acclaimed author of the children's book *Love, Hugs and Hope*.

Th | July 30–Aug. 20 | 6–8 p.m. | \$69 | Online

### HOW TO CREATE CARTOONS & GRAPHIC NOVELS

CHRIS BODILY

Bring your doodles to life in a world of

your own creation. Explore the fundamentals of graphic narratives, and discuss them as both art and literature. Create your own graphic novel or comic while receiving guidance from a seasoned, skilled professional. *All skill levels are welcome.*

M | July 27–Aug. 24 | 6–8 p.m. | \$69 | Online

### HOW TO BECOME A FREELANCE ILLUSTRATOR

JOSHUA PETERSEN

Improve your illustration skills and create a

marketable style that will attract attention and clients. Participate in hands-on exercises that teach you how to illustrate a dynamic composition, create an online presence and find clients in today's social media-centric world. Have your sketch pad, pencil, eraser and up to three of your own compositions handy. *This class is recommended for individuals age 16 and up. All skill levels are welcome.*

Th | June 18–Aug. 6 | 6–8 p.m. | \$99 | Online

## YOUTH

### MINECRAFT MOD: CODING CLASSES FOR YOUTH

SETH IORG

Learn to create custom mods using Java to add

your own items, blocks and more to Minecraft version 1.8. *This class is recommended for individuals age 12-18.*

T | June 30–July 21 | 5–7 p.m. | \$99 | Online

### DESIGN & CODE YOUR OWN WEBSITES

SETH IORG

Want to market your great ideas to the world, but need a place

to showcase them? Learn to design and code a website using HTML, and discover how all the websites in the world got their start. *This class is recommended for both youths and the young at heart. Recommended age is 11 and up; prior coding experience is not necessary.*

M–F | June 22–26 | 9–10:30 a.m. | \$99 | Online

### ONE-WEEK YOUTH CAMP: DESIGN YOUR OWN MINECRAFT MOD (IN JAVA)

SETH IORG

Learn to create custom

mods using Java to add your own items, blocks and more to Minecraft version 1.8. *This class is recommended for individuals age 12-18.*

M–F | June 22–26 | 9 a.m.–noon | \$99 | Online

### JAVASCRIPT GAME DESIGN

SETH IORG

Want to code your own games and share them with others? Learn how

to code using JavaScript, then play your games in a web browser. *This class is recommended for individuals age 11 and up; prior coding experience is not necessary.*

M–F | July 27–31 | 5–6:30 p.m. | \$99 | Online

## Accept the Challenge

Pursue a career in law enforcement with Weber State University's Law Enforcement Academy.

**Registration is now open. Choose from:**

- A **Daytime Combined Academy** (can be completed in four months and makes you eligible for three certifications)
- OR
- An **Evening Flexible Academy** (splits the academy into two modules, each taken separately over two four-month periods; completion of both modules makes you eligible for three certifications)

Learn more about the academy or register at:

[weber.edu/lea](http://weber.edu/lea)  
801-395-3412

WEBER STATE  
UNIVERSITY  
Law Enforcement Academy

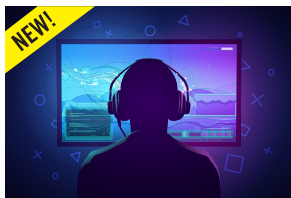

## SIMPLY CODING: ONLINE CLASS FOR YOUTH & YOUNG AT HEART

SETH IORG

Advance through this self-paced, interactive, online curriculum to learn how to code your own computer games, websites and apps using the correct structure and environment. Go at your own pace through four levels of coding classes, and get live-chat and in-person instructor help when you need it. Get complete 24/7 online access to all the lessons and mentoring for one full year. Upon completion of the program, you will be ready to enter AP and concurrent enrollment computer science classes in high school with a custom portfolio of work. *This class is recommended for individuals age 11 and up; prior coding experience is not necessary.*

Online | At your own pace (Start anytime) | \$99

## PYTHON MULTIPLAYER ADVENTURES

SETH IORG

Get introduced to the unique Python coding language, which is making a major comeback in the world of coding, and learn to code a choose-your-own-adventure game. Go at your own pace through Python coding classes, and get live-chat and in-person instructor help when you need it. Get complete 24/7 online access to all the lessons and mentoring for one full year. *This class is recommended for both youths and the young at heart. Recommended age is 11 and up; prior coding experience is not necessary.*

Online | At your own pace (Start anytime) | \$99

## JAVA CODING FOR KIDS

SETH IORG

Here's a chance to learn and practice coding in Java in a friendly, helpful environment. Go at your own pace and get live-chat and in-person instructor help when you need it. Get complete 24/7 online access to all the lessons and mentoring for one full year. *This class is recommended for individuals age 12-18; prior coding experience is not necessary. See additional information at [weber.edu/communityed](http://weber.edu/communityed).*

Online | At your own pace (Start anytime) | \$69

# PROFESSIONAL DEVELOPMENT

## Online Computer Literacy Courses

Expand your computer skills with WSU's six online, self-paced computer literacy courses. Get unlimited access to video-based instruction and work-based projects and assessments. Start and finish each course at your own pace within a six-month window.

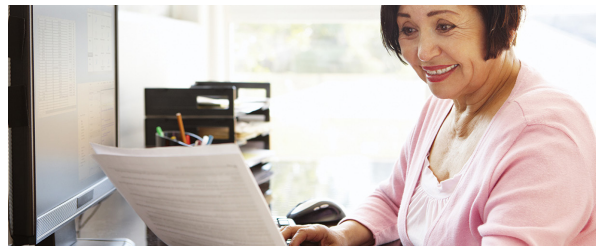

### CLC 0100 | USING A COMPUTER | \$59

Focus on the basics — computer components, emails and operating systems. Learn about Windows, the internet, file and folder management, information security, ethics and international computer issues.

### CLC 0103 | PRESENTATION CREATION | \$69

Discover how to create presentations and use design templates and elements like titles, bulleted lists, images and animated GIFs. Also learn how to add slides and format text.

### CLC 0101 | DOCUMENT CREATION | \$79

Become familiar with Microsoft Word, including how to create, edit and retrieve documents; copy, paste and format text; insert and place graphics; use spell check; save and print documents; and create and edit tables.

### CLC 0202 | ADVANCED SPREADSHEET CREATION | \$99

Delve into more advanced functions within Microsoft Excel, such as managing multiple files and worksheets. Learn how to extract records from your databases, automate repetitive tasks and set up pivot tables to analyze data from different views.

### CLC 0102 | SPREADSHEET CREATION | \$89

Get started with Microsoft Excel and learn to create, enter and format data in a spreadsheet. Discover how to use formulas to calculate sums, percentages and markups. Take your data and use it to create graphs and charts.

### CLC 0203 | ADVANCED PRESENTATION CREATION | \$89

Improve your presentations by incorporating interactive elements like graphics, videos and charts. Learn how to customize your presentations and keep them consistent using the time-saving master slides feature.

Visit [weber.edu/CLCregistration](http://weber.edu/CLCregistration) to get started!

# Daytime Programs: *For seniors and those with flexible schedules*

- Drawing Basics (p. 3)
- Intro to Watercolor (p. 3)
- Digital Photography Basics (p. 3)
- Summer Beekeeping (p. 3)
