Welcome to Online & Continuing Education

The Division of Online & Continuing Education at Weber State University is here to serve you! Our mission is to extend lifelong learning opportunities beyond the traditional campus. Whether your educational goal is to take a writing class, start a small business or finish your degree, we provide the classes you need, close to where you live and work, at times that fit your busy life.

With campuses in Ogden and Layton, centers in Roy, Farmington, Clearfield and Morgan, and our Community Education Center in central Ogden, we are always just around the corner. You don’t even have to leave home to take classes through WSU Online, with courses and full degrees offered anywhere, day or night.

So never stop learning. We’ve got something for everyone in our new summer 2019 class schedule.

Sincerely,
Bruce Davis, Ph.D.
Dean of Online & Continuing Education

ARTS & HOBBIES

HOW TO MAKE PAPER FLOWERS
NICOLE NIELSEN
Explore the art of making paper flowers, including roses, poppies and sunflowers.

Th | May 23–June 20 | 6:30–8:30 p.m. | $59
Weber State Farmington Station

DIGITAL DRAWING FOR ILLUSTRATION
JOSHUA PETERSEN
Enhance your art skill set by using digital tablets, creative software and current illustration techniques to complete finished artwork. Hands-on assignments will follow short lectures as you explore the advantages of digital art. Ages 16+. No class July 6.

S | June 15–Aug. 10 | 10 a.m.–noon | $95
Ogden Campus

ANCIENT POTTERY BUILDING
SHAWN LAMBERT
Learn ancient peoples’ pottery techniques from a State-of-Utah archaeologist and make a piece of pottery to take home. Materials provided. Feel free to bring a lunch.

S | May 25–June 8 | 10 a.m.–2 p.m. | $39
Community Education Center, Ogden

ARTS & HOBBIES

BASIC DRAWING
CHRIS BODILY
Explore the fundamentals of drawing, including shape, lines, values, composition and construction. Perfect for beginners — no experience necessary.

Th | Aug. 15–Sept. 19 | 6–8 p.m. | $49
Center for Continuing Education, Clearfield

CHARACTER DESIGN FOR ILLUSTRATION
JOSHUA PETERSEN
Create strong original character designs for illustrating children’s books, comics, board games and book covers in traditional and digital media. Use a variety of techniques to enhance the final design. No class July 6.

S | June 15–Aug. 10 | 2–4 p.m. | $95
Ogden Campus

CREATING COMICS & GRAPHIC NOVELS I
CHRIS BODILY
Bring your doodles to life in a world of your own creation. Learn how graphic narratives like comics are both art and literature, and discuss the fundamentals of visual storytelling. Learn how to produce your own comic or graphic novel.

T | July 30–Aug. 27 | 6–8 p.m. | $85
Center for Continuing Education, Clearfield

INTRO TO WATERCOLOR
ALISHA JOHNSON
Learn techniques to create your first watercolor masterpiece. Learn water-to-paint ratio, color mixing, watercolor supplies and how to create an original work of art. No class July 3. Students must provide their own materials. See weber.edu/communityed for list.

W | June 5–July 17 | 7–9 p.m. | $79
Center for Continuing Education, Clearfield

UKRAINIAN EGG DECORATING
ANNELI BYRD
Learn to make beautiful Ukrainian eggs for any special occasion. This traditional craft is easy to learn and produces lovely results. All supplies are provided and some holiday designs will be available.

F | Aug. 9 | 6–9 p.m. | $55
Ogden Campus

INTRO TO FLORAL ARRANGING
DAYSIA WILDEEN
Learn about the art of fresh and silk flower arranging, and how to create and care for your own arrangements from tabletop décor to boutonnieres and wreaths. Fresh flowers and some supplies provided. Students must provide additional materials. See weber.edu/communityed for list.

F | July 26–Aug. 16 | 6–8 p.m. | $99
Community Education Center, Ogden

PAINT BETTER FASTER
BRAD TEARE
Learn a unique approach to help you complete your landscape paintings in just four steps. By the end of the class, you will be able to transfer sketches to canvas, use a value finder, mix the right colors and identify hard and soft edges. Canvas will be provided. Students must provide additional materials. See weber.edu/communityed for list.

T, Th | May 21, 23, 28 & 30 | 6–8:30 p.m. | $89
Ogden Campus

CALLIGRAPHY FUN & PROJECTS
JENICE JONES
Learn the fun, casual and adaptable Neuland Hand. Once you have practiced and mastered the strokes, carve letters and stamps to print.

Th | July 25–Aug. 29 | 6–7:45 p.m. | $89
Ogden Campus
JEWELRY MAKING

RENE VENEGAS

Learn the history, fundamentals and techniques of making silver and gold jewelry. Draw and design jewelry, and make a ring, necklace or pair of earrings. Visit weber.edu/communityed for information on buying silver and stones for the class.

W | May 29–June 12 | 6–8 p.m. | $59
Ogden Campus

GREAT, SWELL & PEDAL: A CRASH COURSE FOR THE CHURCH ORGANIST

RULON CHRISTIANSEN

Learn how to make the most of your organ music and create prelude music from hymns. This class will also cover pedal technique, useful music and expressive playing.

S | Aug. 10 | 10 a.m.–4 p.m. | $69
Ogden Campus

PHOTOSHOP BASICS

KENT RIPPLINGER

Make the most of your photos as you learn about your camera, importing options and Photoshop image-editing basics. Course fee includes lab use and printing supplies.

Th | May 23–June 27 | 6–8 p.m. | $135
Ogden Campus

LANDSCAPE NIGHT-SKY PHOTOGRAPHY

MYRANDA HACKLEY

Enjoy a night under the stars and learn how to turn the night sky into photographs you can keep forever. Study the basics, take photos and practice editing them. Two late-evening photo shoots at a dark-sky location will require up to an hour's drive.

F, S | June 21–29 | 6–8 p.m. | $59
Community Education Center, Ogden

PORTRAIT PHOTOGRAPHY

SARA LLEVERINO

Turn your snapshots into great portraits! Learn the basics of portrait photography including camera settings, composition and how to take advantage of natural light. Once you’ve learned the basics, do a live shoot to put your skills into action. Then return to the classroom to edit your photos and add some finishing touches.

Th | May 23–June 13 | 6–8 p.m. | $59
Community Education Center, Ogden

ACTION PHOTOGRAPHY

RICK EGAN

Learn to capture split-second, picture-perfect images. A nationally recognized, award-winning photographer will teach you how to take photos of fleeting moments such as a bird in flight or a winning jump shot. This course will include one photo shoot on Saturday, June 22.

T | June 4–25 | 6–8 p.m. | $79
Center for Continuing Education, Clearfield
weber.edu/CommunityEd | 801-626-6600

REGISTRATION REQUIRED, SIGN UP TODAY

Online Computer Literacy Courses

Weber State University now offers six online, self-paced courses for you to expand your computer literacy skills. You will have unlimited access to video-based instruction and work-based projects and assessments. You can start and finish each course at your own pace within a six-month window.

**CLC 0100 | USING A COMPUTER | $59**

You will learn how to use computers, email and operating systems. You will also learn basic components of Windows, the Internet, file and folder management, information security, ethics and international computer issues.

**CLC 0101 | DOCUMENT CREATION | $79**

You will learn basic skills in Microsoft Word including creating, editing and retrieving documents; copying, pasting and formatting text; inserting and placing graphics; spell checking, saving and printing documents; and creating and editing tables and basic table formulas.

**CLC 0102 | SPREADSHEET CREATION | $89**

You will learn the basic tools you need to use and understand Microsoft Excel. Learn to create, enter and format data in a spreadsheet. You will be able to change and format information, understand AutoSum, enter and copy functions, and know basic formulas for percentage and markup. You will also create graphs and format charts to represent spreadsheet data.

**CLC 0103 | PRESENTATION CREATION | $69**

You will learn the basics of Microsoft PowerPoint, including how to create presentations and use design templates and elements like titles, bulleted lists, clip art and animated GIFs. Students also will learn how to modify presentations by adding slides, formatting text, and adding animation effects, movie and audio clips and data charts. We will focus on slide design and animating slide elements.

**CLC 0201 | ADVANCED SPREADSHEET CREATION | $99**

You will develop your Microsoft Excel skills by learning to format tables, enhance and print charts and maps, perform advanced functions and use Excel to manage multiple files and worksheets. You will learn how to create a database, extract records from the database, set up macros to automate repetitive tasks and set up pivot tables that allow you to analyze data from different views.

**CLC 0202 | ADVANCED PRESENTATION CREATION | $98**

You will learn how to modify an existing presentation using bullets, format painter, master slides and style checker. You will also learn how to incorporate images like clip art, bitmap and vector graphics, draw objects, and apply a template and color scheme. You will also learn how to save presentations as Web pages and package a presentation for CD.

**CLC 0203 | ADVANCED DOCUMENT CREATION | $99**

You will learn how to modify an existing document by creating, editing and retrieving documents; copying, pasting and formatting text; inserting and placing graphics; spell checking, saving and printing documents; and creating and editing tables and basic table formulas.

Social Service Worker Licensing Courses

Weber State University has bundled three courses required for the social service worker license into one convenient online summer program. These non-credit courses offer the same content as the courses taught in the WSU Social Work program but can be completed during the summer semester online.

**HUMAN DEVELOPMENT IN THE SOCIAL ENVIRONMENT | $335**

Students learn to identify developmental stages between conception and death and problems with environmental interactions. This course is taught during the first seven weeks of the summer semester.

**Dates: May 6–June 21**

**SOCIAL WELFARE POLICY | $335**

Students learn the history of American social welfare policies affecting social service delivery mechanisms. This course is available after you complete the Human Development in the Social Environment course.

**Dates: June 24–Aug. 9**

**SOCIAL WORK PRACTICE METHODS | $335**

Students learn to evaluate social work practices at the individual, family, group and community levels. You may take this course at the same time as the Social Welfare Policy course.

**Dates: June 24–Aug. 10**

FINISH YOUR DEGREE AT WEBER
Flexible COURSE DELIVERY OPTIONS

EVENING Work during the day or busy caring for your family? Weber State offers evening classes at multiple campus locations.

ONLINE From the comfort of your own home or your favorite coffee shop, you can earn your degree online. We have several fully online programs and hundreds of individual online classes to choose from.

INDEPENDENT STUDY These are online classes that can be started anytime; there’s no waiting for the next semester to start. You can breeze through classes in just a few weeks or take up to six months to finish.

ACCELERATED HYBRID Classes are completed in just seven weeks. With one night on campus per week, per class, you do the rest of the work online. It’s a great way to cruise through your general education requirements.

OFF CAMPUS Complete your general education requirements close to where you live and work! Weber has three centers that provide the classes you need: West Center (Roy), Weber State Farmington Station and Morgan Center. Enjoy free parking, convenient locations, morning classes and even student services such as testing. Check out the location nearest you to see what it has to offer!

Weber State University LOCATIONS

West Center

Weber State West Center in Roy offers general education courses, a testing center, computer lab and advising support.

Center for Continuing Education

The CCE provides businesses and residents a place to pursue personal and professional interests through training and continuing education. It is also the home of WSU’s Law Enforcement Academy.

Davis Campus

WSU Davis in Layton is a full-service campus but on a smaller scale. Take a few courses or complete an entire degree. Day and evening classes available.

Farmington Station

Weber State Farmington Station offers concurrent enrollment, general education courses, and master’s and professional programs.

Community Education Center

The CEC is for anyone looking to earn a degree. Our bilingual staff members are dedicated to helping underrepresented community members gain access to higher education.

Ogden Campus

The Ogden campus is WSU’s oldest and largest campus, offering day and evening classes.

Morgan Center

The Weber State Morgan Center focuses on general education and concurrent enrollment courses. It is an educational resource for Morgan, with a testing center and computer lab.
