Weber State University Community Education believes in educating the whole person. In the pages of this spring course schedule, you’ll see what we mean. For instance, if you’re looking to learn a fun new instrument, you can through our Ukulele Fun courses. If you want to tinker with cutting-edge technology, maybe The New World of 3D Printing is for you.

Of course, in addition to stretching your mind, you can stretch your body. Ageless Chair Yoga could be a great option. Or you can cut a rug with Ballroom, Latin & Swing Dance.

While you’re at it, don’t forget to nourish your soul. Mind & Body Breathing can help you recenter. You can explore universal truths through the Intro to the Tao Te Ching.

All of this activity requires some relaxation. You can learn how to pamper yourself through Botanical Beauty: Lip Tints. You can become mesmerized by the colorful art with Alcohol Inks: Bookmarks & More. You can grow your green thumb with our Expert Gardener Certificate Series.

Enrich your entire self.

Sign up for courses today.

Clery Annual Security Report
weber.edu/police

WSU does not discriminate on the basis of race, color, national origin, pregnancy, genetics, age (over 40), disability, religion, sex, sexual orientation, gender identity/expression, veteran, active military status and other classifications protected by law in its programs and activities. Information is available from, and discrimination and harassment complaints may be filed with, the executive director of AA/EO, AA-EO@weber.edu, MA 102 or 801-626-6239.

Weber State University – (USPS PE16-576)(Volume 8, January 14, 2022) is published a total of four times per year—typically during the months of January, April, June and August—by the staff of Weber State University, 3848 Harrison Blvd., Ogden, Utah 84408. Application to mail at periodical postage rates is approved at Ogden, Utah, and additional mailing offices. POSTMASTER: Send address changes to Weber State.
ARTS & HOBBIES

ARTIST CERTIFICATE
(SERIES OF THREE)
CHRIS BODILY

Learn from a professional artist to develop your artistic talents. This three-class series includes Beginning Drawing, Drawing Animal & Human Figures, and How to Create Comics & Graphic Novels. Complete all three classes to earn your Artist Certificate. Take the full series, or register for as many individual courses as you'd like.

BEGINNING DRAWING
CHRIS BODILY

Class one of the series
Explore the fundamentals of drawing, including shape, lines, values, composition and construction. This course is perfect for beginners. No experience is necessary. Visit weber.edu/communityed for a supply list.
W | March 2–30 | 6:30–8 p.m. | $89 | Ogden Campus

DRAWING ANIMAL & HUMAN FIGURES
CHRIS BODILY

Class two of the series
Learn how to sketch human and animal figures, including those figures in action sequences, and discover your hidden talents. A live model will be present for some sessions. No previous art experience is required. Bring your sketchpad and pencil.
W | April 6–27 | 6:30–8 p.m. | $79 | Ogden Campus

CARTOONS & GRAPHIC NOVELS
CHRIS BODILY

Class three of the series
Bring your doodles to life in a world of your own creation. Explore the fundamentals of graphic narratives, and discuss them as both art and literature. Create your own graphic novel or comic while receiving guidance from a seasoned, skilled professional. All skill levels are welcome.
W | May 4–25 | 6:30–8 p.m. | $79 | Ogden Campus

CALLIGRAPHY BASICS
JENICE JONES

Discover the art of hand lettering, including two popular forms: Roman caps and uncial script. Learn letter anatomy, layout basics, spacing, pen angles and more. Practice with markers, graphite pencils and broad-edge dip pens. Visit weber.edu/communityed for a supply list.
F | Feb. 18–March 25 | 6:30–8:30 p.m. | $89 | Community Education Center

START YOUR OWN PODCAST
KAY WALKER

Learn how to start a podcast! This course will teach you what materials and equipment you'll need, how to record and edit audio, how to create a theme for and brand a podcast, and considerations for podcast logos and photos.
F | March 25–April 15 | 6:30–7:30 p.m. | $49 | Online

A NIGHT OF WATERCOLOR
ALISHA JOHNSON

One night only! Spend three hours learning in the privacy of your own home as you discover step-by-step techniques in this online watercolor class. You'll have ample opportunity to ask plenty of questions as you paint along with the instructor and other students. Visit weber.edu/communityed for a supply list.
W | March 23 | 6–9 p.m. | $25 | Online

HOW TO MAKE YOUTUBE VIDEOS
JAMES MCALLISTER

Learn the basics of making and uploading YouTube videos. Produce and edit audio, stills, thumbnails and video. Upload and analyze your video on YouTube.
M | March 7–April 4 | 7–9 p.m. | $79 | Center for Continuing Education

PHOTOGRAPHY COMPOSITION
SARA LLEVERINO

We’ll focus on how composition in photography takes a photo from a snapshot to a professional-looking image. Study concepts such as the use of space, frames, lines, balance, depth and perspective.
T | March 15–22 | 7–9 p.m. | $79 | Community Education Center

ACTION PHOTOGRAPHY
RICK EGAN

Some moments, such as birds in flight or a winning jump shot, are best captured in motion. This class will teach you how to take candid pictures of those split-second moments. The class will include four Wednesdays and one Saturday (TBA) photo shoot.
W, S | March 2-23 | 6–8 p.m. | $89 | Farmington Station

NATURAL LIGHT & FLASH PHOTOS
SARA LLEVERINO

Learn how to use natural light to produce beautiful, flattering lighting patterns. Then find out how to use a hot shoe flash for those lighting situations where natural light alone is insufficient.
T | April 5–12 | 7–9 p.m. | $79 | Community Education Center

Looking for illustration courses?
See page 11.
FANCY BREAD MAKING
CINDY CHILD
In three sessions, learn how to create fancy breads, including sourdough, tortillas and cream puffs. The first session will coach you on how to make great sourdough bread and maintain the starter. Then create amazing flour tortillas and chips that cost pennies to create. Finally, discover the art of making cream puffs, eclairs and churros.
Th | April 7–21 | 6:30-8 p.m. | $89 | Online

RECREATIONAL DRONES
DOUGLAS MANIFOLD
Do you have, or are you considering, a new drone? Don’t fly it until you’ve had some instructions! Join this face-to-face class to learn how and where to fly. A drone is not required.
S | April 9–May 7 | 1-4 p.m. | $95 | Ogden Campus

JEWELRY MAKING
RENE VENEGAS
Learn the history, fundamentals and techniques of making silver and gold jewelry. Draw and design jewelry, and make a ring, necklace or pair of earrings. Visit weber.edu/communityed for information on buying silver and stones for the class.
W | Feb. 23–March 9 | 6-8 p.m. | $79 | Ogden Campus

UKRAINIAN EGG DECORATING
ANNELI BYRD
One night only! Learn to make beautifully decorated eggs, which, in Ukraine, are often given as gifts for many occasions (not just Easter). Ukrainian egg decorating is easy to learn and produces lovely results. All skill levels are welcome; just come with a willingness to learn. Your instructor will provide all of the supplies.
F | March 18 | 6-9 p.m. | $59 | Ogden Campus

ASTRONOMY: USING A TELESCOPE
JOHN ARMSTRONG
You’ll first learn on WSU’s telescopes, then you may bring your own to the last class (not required). Beginners are welcome.
Th | Feb. 24–March 10 | 7-9 p.m. | $69 | Ogden Campus

UKULELE FUN
MARY NOEL
Bring your ukulele, and be ready for a fun time! Learn basic chords, strums and songs that will liven up any classroom, family event, church gathering or campfire. Come uke with us!
Th | Feb. 10–March 3 | 6-8 p.m. | $69 | Community Education Center

UKULELE FUN: NEXT STEPS
MARY NOEL
Bring your ukulele, and learn more chords and more songs. In this class, you’ll take your uke skill to new levels. Come uke with us again, and be ready to have more fun!
Th | March 10–31 | 6-8 p.m. | $69 | Community Education Center

FLY FISHING
CHRIS BAILEY
Learn fly fishing techniques from world-renowned angler Chris Bailey and Utah Fly Fishing Hall of Famer Tom Doxey. The first session is in the classroom, and the remaining sessions are on the river. You must provide your own transportation, fishing tackle and Utah angling permit (required).
S | Feb. 19–March 12 | 10 a.m.–2 p.m. | $135 | Center for Continuing Education

WORKSHOP FOR ORGAN ENTHUSIASTS
RULON CHRISTIANSEN
One day only! For this course, learn on one of the largest organs in Weber County at St. Paul’s Lutheran Church. Cover the various aspects involved in playing for church services, such as how to make the most of your organ, registration and how to use the stops. In addition, practice console technique, pedal technique, congregational hymn accompaniment and creating an organ prelude from hymns. Discover useful service organ music and expressive playing.
S | April 9 | 1-4 p.m. | $39 | St. Paul’s Lutheran Church

Take a seat.
Find your peace.
Ageless Chair Yoga
See page 7.
Online Computer Literacy Courses

Expand your computer skills with WSU’s online, self-paced computer literacy courses. Get 24/7 access to video-based instruction and work-based projects and assessments. Start and finish each course at your own pace within a six-month window.

**USING A COMPUTER | $59**
Focus on the basics: computer components, emails and operating systems. Learn about Windows, the internet, file and folder management, information security, ethics and international computer issues.

**DOCUMENT CREATION | $79**
Become familiar with Microsoft Word, including how to create, edit and retrieve documents; copy, paste and format text; insert and place graphics; use spell check; save and print documents; and create and edit tables.

**SPREADSHEET CREATION | $89**
Get started with Microsoft Excel and learn to create, enter and format data in a spreadsheet. Discover how to use formulas to calculate sums, percentages and markups. Take your data and use it to create graphs and charts.

**ADVANCED SPREADSHEET CREATION | $99**
Perform advanced functions within Microsoft Excel, such as managing multiple files and worksheets. Learn how to extract records from your databases, automate repetitive tasks and set up pivot tables to analyze data from different views.

**PRESENTATION CREATION | $69**
Discover how to create presentations and use design templates and elements like titles, bulleted lists, images and animated GIFs. Also learn how to add slides and format text.

**ADVANCED PRESENTATION CREATION | $89**
Incorporate interactive elements such as graphics, videos and charts. Learn how to customize your presentations and keep them consistent using the time-saving master slides feature.

**SQL BEGINNER | $99**
Delve into the basics of the SQL programming language, and begin to understand how it communicates with databases. Work with databases and tables. Learn to create various commands.

**R PROGRAMMING: FOUNDATIONS & NEXT STEPS | $99**
Use R and RStudio. Summarize data using descriptive statistics. Create frequency tables and plot data. Use linear regression to capture the correlation between two variables.

Visit weber.edu/CLCregistration to get started!
FINGERSTYLE GUITAR 3
BRIAN NIELSEN
This class, a continuation of our popular fingerstyle guitar classes, is for anyone who knows a few basic chords. Whether you’ve taken our earlier classes or not, you’re welcome to join us as we explore advanced chords and fingerstyle methods. Students are responsible for bringing their own guitar and The Christopher Parkening Guitar Method book and CD. You can find them at WSU’s Wildcat Store.
T | Feb. 22–March 22 | 7–9 p.m. | $69 | Ogden Campus

THE ART OF PAPIER MÂCHÉ
MARIA CRISTINA ESTRADA
Make a variety of three-dimensional art and home decor objects while learning the history and culture of this Hispanic art form. The instructor will provide all of the supplies.
F | March 4–18 | 6–8 p.m. | $69 | Community Education Center

ALCOHOL INKS: BOOKMARKS & MORE
RACHAEL BUSH
One day only! Learn techniques, tools and tricks to make beautiful, abstract bookmarks and a one-of-a-kind clock using alcohol inks. Alcohol inks are acid-free, fast-drying, transparent, permanent inks, and they are available in many exciting, vivid colors. No experience is needed. The instructor will provide all class materials. Please wear clothes you won’t mind getting ink on.
S | March 26 | 9 a.m.–12:30 p.m. | $69 | Ogden Campus

NIGHT-SKY PHOTOGRAPHY
MYRANDA HACKLEY
Enjoy an evening under the stars as you learn how to turn the night sky into photographs you can keep forever. Study the basics and take digital photos in a dark-sky area, then practice editing your photos. In-person classes will be held April 1 and 8. A late-evening photo shoot will take place on April 2 at the Spiral Jetty in the Great Salt Lake from 9-11 p.m. Bring your camera. This is a beginner-level class.
F, S | April 1, 2, 8 | 6–8 p.m | $69 | Community Education Center

IPHONE SCANNER FAMILY HISTORY
JACK FERNALD
One night only! Learn how to use your iPhone’s or iPad’s built-in document scanner to capture your family’s historical documents, then upload them into your preferred family history app of choice.
M | March 28 | 6–8 p.m. | $25 | Center for Continuing Education w/ Online Option

CULTURE & LANGUAGE

RUSSIAN FOR BEGINNERS
YULIA GOFF
Learn the Russian alphabet, and start reading, speaking and writing in Russian in weeks! This class will offer you ample opportunities to learn and practice the foundations of the Russian language with a native speaker and experienced language teacher.
Th | March 3–April 7 | 6:30–8:30 p.m. | $89 | Online

HEALTHY LIVING

**INTRO TO THE TAO TE CHING**

**JOY RICH**

Discover the timeless philosophical wisdom of simplicity, compassion and humility encapsulated in the Tao Te Ching. This classic text is one of the most translated works in the world. The Tao Te Ching contains 81 short chapters that contain universal truths and knowledge that can be used to harness harmony, balance and tranquility. This class will enable you to recognize, understand and discuss verses 1-20 in the Tao Te Ching.

**W** | March 16–April 13 | 6–8 p.m. | $79 | Community Education Center w/ Online Option

**BALLROOM, LATIN & SWING DANCE**

**MARGENE ANDERSON**

Fun date night activity! Learn simple, stylish moves and have more fun at parties, weddings, cruises and social dance events. Be comfortable and confident on the dance floor. Margene Anderson—a highly trained professional ballroom, Latin, swing and salsa instructor with over 30 years of experience—teaches this course. You’ve always wanted to, so come join the fun! The class fee is per person, but you must register with a partner.

**Section 1**: Th | Feb. 24–March 17 | 6–7:30 p.m. | $39 | James Madison Elementary

**Section 2**: Th | Feb. 24–March 17 | 7:30–9 p.m. | $39 | James Madison Elementary

**Section 3**: M | March 21–April 18 (skip April 4) | 6–7:30 p.m. | $39 | James Madison Elementary

**Section 4**: M | March 21–April 18 (skip April 4) | 7:30–9 p.m. | $39 | James Madison Elementary

**BEGINNING BEEKEEPING**

**RICHARD HOMER**

Learn from a professional beekeeper about different bee species and the essentials of beekeeping, including equipment management, buying bees, getting them settled, feeding your bees, hive inspection, watering, extracting and more.

**S** | 9 a.m.–1 p.m. | Feb. 26 | $59 | Community Education Center

**AGELESS CHAIR YOGA**

**DEBORAH BARNES-ALLAN**

Take part in an overall mind, body, spirit, revitalizing practice that is easily accessible to all ages, abilities and life situations. This class integrates the timeless benefits of both yoga and qi gong. You will use breath awareness with slow, mindful flows to move your life-force energy, and stretch, strengthen and harmonize your body.

**T** | Feb. 15–March 22 | 6–7 p.m. | $49 | Community Education Center

**COOKING FOR THE HEALTH OF IT (SERIES OF 4)**

**VARIOUS INSTRUCTORS**

This four-session, hands-on cooking series includes Anti-Inflammatory Food Prep; Food as Medicine; Taco, Tortilla & Salsa Social; and Cooking Under Pressure. Take the full series, or register for as many individual courses as you’d like.

**ANTI-INFLAMMATORY FOOD PREP**

**JANNA TROVATO**

Class one of the series

One night only! Prepare a meal and learn about the definitions, benefits and common foods of an anti-inflammatory diet. Begin to take better care of yourself and those you love.

**W** | Feb. 16 | 6–8 p.m. | $60 | WSU Davis

**FOOD AS MEDICINE**

**JANNA TROVATO**

Class two of the series

One night only! Discover the amazing power that food has to promote your health. Prepare healthy dishes that highlight different foods and their nutritional values. Make healthy choices by referring to provided resources regarding different foods.

**W** | Feb. 23 | 6–8 p.m. | $60 | WSU Davis

**TACO, TORTILLA & SALSA SOCIAL**

**DAVID AGUILAR-ALVAREZ**

Class three of the series

One night only!

This hands-on cooking class specializes in Mexican cuisine. Learn how to prepare green salsa, red salsa, corn tortillas and different fillings. By the end of the class, you will be able to make all the same delicious entrées at home for your dinners and barbecues.

**W** | March 2 | 6–8 p.m. | $60 | WSU Davis

**COOKING UNDER PRESSURE**

**HEIDI COSTELLO**

Class four of the series

One night only!

Learn how to save time and eat healthier using a pressure cooker. Learn the basics of pressure cooking and take home delicious, healthy recipes.

**W** | March 9 | 6–8 p.m. | $60 | WSU Davis

Manage Your Money Like a Boss

Learn to Invest

See page 9.

Create, Then Decorate

The Art of Papier Mâché

See page 6.
**EASY GREENHOUSE GARDENING**  
**MINDY MORTENSEN**  
Learn from a professional botanist about how to create a greenhouse with plants that grow delicious and healthy treats all year long. Find what plants can give a spectacular showing season after season.  
*T | Jan. 18–25 | 6:30–8:30 p.m. | $59 | Community Education Center

**EXPERT GARDENER CERTIFICATE (SERIES OF 4)**  
**MINDY MORTENSEN**  
Learn from a professional botanist about how to become an expert gardener. This four-class series includes Grow, Use & Preserve Fresh Herbs; Garden Prep & Preservation; Design a Backyard Paradise; and Organic Gardens & Permaculture. Complete all four classes to earn your Expert Gardener Certificate. Take the full series, or register for as many individual courses as you’d like.

**GROW, USE & PRESERVE FRESH HERBS**  
**MINDY MORTENSEN**  
Class one of the series  
Learn to select, grow, preserve and use fresh herbs that do well right here in Utah. Enjoy their aroma, beauty, taste and nutrients.  
*T | Feb. 1–8 | 6:30–8:30 p.m. | $59 | Community Education Center

**DESIGN A BACKYARD PARADISE**  
**MINDY MORTENSEN**  
Class three of the series  
Bring in pictures of your existing yard and get ideas for how to update your landscaping plan. Learn about basic design, drawing to scale, landscape software options and plant types.  
*T | March 8–22 | 6:30–8:30 p.m. | $79 | Community Education Center

**ORGANIC GARDENS & PERMACULTURE**  
**MINDY MORTENSEN**  
Class four of the series  
Learn how to start an organic garden in your own backyard and begin growing greens. Explore the basics, such as how to compost, prepare soil and choose the right plants.  
*T | March 29–April 19 (skip April 5) | 6:30–8:30 p.m. | $79 | Community Education Center

**GARDEN PREP & PRESERVATION**  
**MINDY MORTENSEN**  
Class two of the series  
Create a beautiful and productive garden by learning what to plant, when to plant, how to improve your soil, how to conserve water and how to fight insect damage.  
*T | Feb. 15–March 1 | 6:30–8:30 p.m. | $79 | Community Education Center

**BOTANICAL BEAUTY: LIP TINTS**  
**RACHAEL BUSH**  
One day only! Bring a friend or partner for a Valentine’s date! Would you like a splash of color on your lips? In this class you’ll learn how to make your own lip balm with just the right amount of color and shine. Not only are these lip tints vegan friendly, they’re crafted from natural, easy-to-find ingredients. Students will leave with six different colors, packaged and ready to use, plus the recipe and resources to continue production at home. Tubes, mica, natural oils, waxes and pitchers are included.  
*S | Feb. 12 | 10 a.m.–12:30 p.m. | $69 | Ogden Campus

**MIND & BODY BREATHING**  
**AMBER GUZMAN**  
Breathe slowly, deeply and purposefully into your body, silencing the “inner critic.” As you relax your body, breathing can connect you to stored emotions and memories. It can also uncover limiting thought patterns. Release fear, shame and worry. Create higher perspectives on challenges, clarity and insights. Create less anxiousness, more calm, more confidence and clear decision-making.  
*Th | April 7–May 12 | 6–8:30 p.m. | $89 | Community Education Center

**Law Enforcement Academy**

Pursue a career in law enforcement.  
Receive 18 elective credits toward a WSU criminal justice major.  
**Next Full-Time Day Academy Start Date:** Aug. 1  
**Next Part-Time Evening Academy Start Date:** Aug. 8  
**Registration:** March 1–June 17  
**Apply soon!**  
Call 801-395-3412 or visit weber.edu/LEA

JOB & LIFE SKILLS

LEARN TO INVEST
REBECCA HERBST
Learn all the skills you need to invest and manage your money on your own. Learn how to invest in stock and bond funds and create a financial plan using tax-advantaged accounts (401k, IRA, 529, HSA). This course is for beginners and existing investors who want to streamline their personal finance strategy. You should have basic math and computer operation skills. Information provided in this course is for general educational and informational purposes only and should not be construed as investment or financial advice.
M | March 7–14 | 6–8 p.m. | $49 | Community Education Center

MICROSOFT POWERPOINT
GEORGE BAZAES
Learn how to make exciting slide-to-slide transitions and other attention-grabbing PowerPoint techniques. In addition, discover how to include videos and link to the web. Some experience using PowerPoint is recommended.
T | April 5–19 | 6–8 p.m. | $79 | Center for Continuing Education

BITCOIN & OTHER CRYPTOCURRENCY
DAVE TAYLOR
One night only! You’ve heard about Bitcoin and it piqued your curiosity. This class is for you. You’ll be able to answer deceptively tricky questions like, “What is money?” (We think we know, until we don’t!) Then we’ll go from there and delve into even trickier questions: What is Bitcoin, then? Is it money? Is it “real?” How does Bitcoin work? What’s a blockchain? What’s with the “crypto” in cryptocurrency? How do people use Bitcoin? Information provided in this course is for general educational and informational purposes only and should not be construed as investment or financial advice.
Th | March 24 | 6:30–8:30 p.m. | $25 | Online

MICROSOFT WORD
GEORGE BAZAES
Learn basic Microsoft Word skills including creating, editing and retrieving documents; copying, pasting and formatting text; inserting and placing graphics; spell checking, saving and printing documents; and more. Some experience with Word is recommended. You will need basic computer operation and typing skills.
T | Feb. 15–March 8 | 6–8 p.m. | $99 | Center for Continuing Education

MICROSOFT EXCEL
GEORGE BAZAES
Learn how to use Microsoft Excel effectively for any project. Explore tools to organize information and create mathematical formulas, graphics, macros and much more. Some exposure to Excel is recommended, but all skill levels are welcome. You will need basic computer operation and typing skills.
T | March 15–29 | 6–8 p.m. | $79 | Center for Continuing Education

QUICKBOOKS: NEXT LEVEL
JAUNETT PORTER
Take your QuickBooks skills to the next level as you learn in greater detail about home or small business finances. Find out how to create and manage a wide variety of files, manage payments and invoices and generate reports, all while learning accounting terms and principles. Visit weber.edu/communityed for info on how to obtain a free software trial.
W | Feb. 16–March 9 | 6–8 p.m. | $89 | Community Education Center

QBO: QUICKBOOKS ONLINE
JAUNETT PORTER
This face-to-face class shows you the basics of how to use the QuickBooks Online (QBO) product. Learn how to do invoicing, sales receipts and estimates. Discover how to track sales and customer payments and business expenses in QBO. Find out how to attach and reconcile bank statements. We cover the basic accounting knowledge required to use QBO.
F | April 29–May 20 | 6–8 p.m. | $89 | Community Education Center

Learn & Grow
Expert Gardener Certificate
See page 7.
Enter the workforce with confidence. Mentors, chamber organizations and Weber State University faculty will help you develop the skills you need.

WRITING & ILLUSTRATING

SELF-PUBLISH BOOKS WITH AMAZON

Joy Rich

One night only! Explore all the steps involved in self-publishing using Amazon’s Kindle Direct Publishing, from setting up your Kindle account to working with compatible browsers. We will cover ISBNs, book layout, paper color, cover design, global marketplaces and more. Learn tips to make the publication experience more enjoyable.

W | Feb. 16 | 6–8 p.m. | $49 | Online

YOU, TOO, CAN WRITE FICTION

Alysia Knight

Learn about dialogue, plot, character development and more as you explore ways to put your thoughts on paper and navigate the world of writing and publishing young adult and romance novels. We will cover topics such as plot, character building, conflict, story arc, voice and branding.

T | Feb. 22–March 29 | 7–9 p.m. | $89 | Center for Continuing Education

WRITING CHILDREN’S BOOKS

Christy Monson

Start your writing journey with an overview of the children’s literature genre, then begin to develop your creativity and writing skills. Craft a manuscript under the guidance of the acclaimed author of the children’s book Love, Hugs and Hope.

Th | Feb. 17–March 10 | 6–8 p.m. | $69 | Community Education Center

INTRO TO DIGITAL ILLUSTRATION

Joshua Petersen

Enhance your skill set by learning how to make art using digital tablets or laptops and creative software. A skilled professional illustrator will guide you through Photoshop to elevate your art to the next level. Short lectures and demos will guide your exploration of digital tools for your art and illustrations. Use your laptop or digital tablet and be able to access Photoshop. (One month free access is available.)

F | March 18–April 8 | 6–8 p.m. | $89 | Online

CHILDREN’S BOOK ILLUSTRATION

Joshua Petersen

Expand your art skills through illustrating children’s books with guidance from a professional illustrator. Short lectures and demos will guide your exploration of digital art tools.

S | April 16–May 7 | 10 a.m.–noon | $79 | Online

TECHNOLOGY

IS SOLAR RIGHT FOR ME?

Jacob Cain and Justin Owen

One night only! Residential solar can be an excellent investment. Come learn what makes these projects tick. We will cover solar panel physics, how utility rates work, what the economics look like and what to consider when self-installing or hiring a contractor. At the end of this class, you will be able to make an informed decision about solar for your home.

Th | March 10 | 6–9 p.m. | $25 | Online

DISCOVERING & USING iCLOUD

Jack Fernald

One night only! Learn the benefits and use of Apple iCloud in this introductory course. Discover what the Apple iCloud is, how it works and its intended use.

T | March 1 | 6–8 p.m. | $25 | Center for Continuing Education w/ Online Option

THE NEW WORLD OF 3D PRINTING

Kevin Goodrich

3D printing is a rapidly growing hobby and occupation. Whether you’re printing toys, games or parts for a car, there is almost no limit to the scope of what can be done. Go from a basic understanding of the 3D printing world to printing several small items.

W | March 2–23 | 7–9 p.m. | $79 | Ogden Campus

SIMPLY CODING (ONE-YEAR COURSE ACCESS)

Seth Iorg

Whether you’re young or young at heart, learn how to code your own computer games, websites and apps through this self-paced, interactive, online curriculum. Take four levels of coding classes. Get 24/7 access to lessons and mentoring for one year. After completing the program, be ready to enter Advanced Placement and concurrent enrollment computer science classes with a custom work portfolio. This class is recommended for individuals ages 11 and up. Prior coding experience is not necessary.

At your own pace (start anytime) | $109 | Online

Explore a Composites Career

• Discover career options in the composites industry.
• Learn about basic materials, tools vocabulary and safety practices.

Badge Up With Weber State

We get it. Some jobs won’t wait, and you need to upskill now. Weber State University’s Badge Up program is dedicated to providing quick skills — and evidence of those skills.

- Badges include Communication in the Workplace, Reacquainting Yourself With Work, Workplace Writing and more.
- With our online and self-paced programs, you decide when to join class.
- WSU badges are workforce focused.
